

COMFORTGUARD®

FACE SHIELDS

Clarity for Your Important Work

Alleset continues to expand our line of COMFORTGUARD® protective apparel products, with not only protection in mind, but also comfort.

 COMFORTGUARD®

Our full coverage face shield features both anti-fog and anti-static coating providing clear, fog-free vision while you perform your most critical work.

High Performance + Comfortable Fit

Our conformable headband design helps provide the most comfortable fit possible.

The wide elastic band provides comfort during wear and is securely attached to ensure proper fit and performance.
