

ALLEFLEX™

Cohesive Bandages

Breathable, self-adherent bandage that provides comfort and support in a variety of applications. Available in a broad range of widths, colors and prints.

The **AlleFlex™** offering is uniquely designed to help with wound care, chronic pain management, and physical therapy needs with the broadest range of roll widths, colors, and prints.

- Cost effective and convenient compared to traditional rubber bandages for post-surgery applications
- Softspun fabric allows for easy, quick tearing by hand, ideal for prompt and frequent applications
- Industry leading self-adherence
- Does not contain natural rubber latex, nano-silver additives or phthalates
